

# CAMP GIVES BACK!

Last year our whole camp truly made magic happen for a local family in need and in the process gave back in huge ways! Raising over \$6,300.00 in gifts, cash, gift cards and services in just 13 days the whole camp learned and showed us all the value of helping others. We were even recognized by Channel 13 News as a bright spot!

This year all of camp will have the chance to be a part of something truly magical. Have you ever wanted to make a wish happen for someone that truly deserved it? Well coming to camp this summer will mean having the chance to literally make a wish happen. Teaming up with our local chapter of Make A Wish Foundation, our goal will be to raise enough funds to grant a wish for a deserving child. The average cost per wish is \$5,000.00 so we have a big goal ahead of us. However, I know we can give big, work hard, and make the magic happen...don't YOU!?

This year's give back is in honor of one of our own campers, Fahriss Wyand, an extraordinary little girl who embodied all that camp is and who attended camp last summer. She was fortunate enough to be granted her wish of a playground from Make A Wish Foundation and now in honor of her we want to grant a wish. Imagine how special it will be to be a part of a camp where you not only have lots of fun but could actually make a wish happen...what a great way to spend a summer! In order to make this happen we need everyone so please come to camp this summer, experience all we have to offer and yes, even be a magic maker and a wish granter!

Here are some of the ways we plan to get to \$5,000.00 by our big reveal day on July 24:

Start saving your change because our coin drive was a huge part of last year's success. Bags will be given out on the first day to help you collect all the coins you can...lets make this town penniless!

Show you support for the Make A Wish Foundation and purchase a star car magnet for only \$2.00. These will be on sale during registration nights and during camp, along with hip and cool rubber bracelets, also for just \$2.00!

Raffles rock and last year ours was a huge success! This summer you will have the chance to both donate prizes and buy tickets to win. You won't want to miss this!

Tape the camp director to the wall! That's right...tape Jeff Daley to a wall. For only \$1.00 you can help tape me to a wall in the middle of camp...the more tape the better. To make it even more fun and since I'm taped there anyway...purchase your very own mud pie to throw at me...you know you want to!

One last special fundraising event....still working on something special so we'll keep you informed!
